United Alloy

is an excellent career opportunity

COME SEE FOR YOURSELF!

Free Education while getting ***paid***

If you have **limited to no** experience welding, United Alloy offers a FREE training program through Blackhawk Technical Collage called **UA Academy**. Curriculum is as follows:

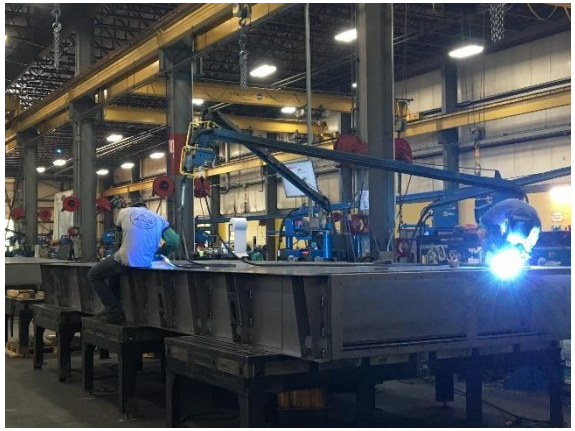
- Learn how to MIG weld at the Technical College with an instructor while you're paid $12/hr to learn for up to 8 weeks or less
- When finished, you are onboarded at UA with mentor for up to 6 weeks while making $15/hr
- Once you learn the ropes, you will be making a minimum of $19.01/hr

Benefits

- Above industry avg starting wage
- $3/hr. for a 2nd or 3rd shift premium
- All equipment and tools provided
- Full benefits and 4% 401k match

Welding

- Our welders are *craftsman*
- United Alloy's world class facility has with the most up to date equipment
- Opportunity to be part of a team
- A solid career path that has a steady demand
- Consistent new product, therefore limited repetitive welds



Growth

Apply to a company that is well established, yet still expanding. We are adding 105,000 square feet of manufacturing space to our current facility and we need top talent to grow with us.
